Responses

(As of February 2020)

Will compliant bunkers be available in your jurisdiction?

1

Yes, bunker is available in Valparaiso and Quintero area. Please have in mind that orders have to be placed 10 days prior to the arrival of the vessel.

Which government body or organization issues fines for sulphur violations?

2

The Maritime Authorities will have to pass the first judgement on each case however it is unknown if these cases also are passed on to further government body/organization.

What is the estimated potential value of fines?

3

Unknown until now. There is no active case nor has there been any fine issued on this matter. There is no known formula to calculate these kind of fines, this is subject to the involved authorities.

Is there a possibility of criminal action for sulphur violations?

4

Unknown until now.

Can a ship be detained for violations?
If so, will a club LOU be accepted to secure its release?

5

Yes, the authorities will maintain the right to arrest the vessel in these cases. And will evaluate the situation on each case, taking into consideration the LOIs issued by the owners.

Is it possible to appeal fines?

6

It will be possible, same as all the fines issued by the Chilean Maritime Authorities.

What contingency measures are available for ships carrying non-compliant fuel.

7

Contingency measures are established by the IMO, complying with the marpol regulation. There are no specific laws nor measures established by the Chilean Maritime Authorities.
