(As of February 2020)

Will compliant bunkers be available in your jurisdiction?

1

No not exactly, only imported fuel with 0.50% is available with PSO but other local refineries are producing fuel oil in higher sulphur more than 0.5%.

Which government body or organization issues fines for sulphur violations?

2

KPT/Port authorities check and fines.

What is the estimated potential value of fines?

3

Not known.

Is there a possibility of criminal action for sulphur violations?

4

No, it is not implemented as per true spirit, so as per our information No criminal action has been taken so far.

Can a ship be detained for violations?
If so, will a club LOU be accepted to secure its release?

5

In KPT area some time officials come on board of vessel & check previous record only but do not have facility to check or test fuel on board but at Port Qasim, No authority is implementing this and do not check or test fuel on board.

Is it possible to appeal fines?

6

Yes.

What contingency measures are available for ships carrying non-compliant fuel.

7

Advisable & better to avoid to carry non-compliant fuel.
