

COVID-19 GLOBAL PORT RESTRICTIONS

KUWAIT

As local conditions and regulations can change by the hour, before making any firm plans please contact intel@waterfront-ms.com to give you the latest updates for individual countries.

Updated as of October 12th, 2020

Ports	Crew Change	CTM Delivery	Spare Delivery	Technician Attendance
Shuwaikh Port	No	Yes	Yes	IF THE TECHNICIAN IN SAME COUNTRY
Shuaiba Port	No	Yes	Yes	IF THE TECHNICIAN IN SAME COUNTRY
UMMQASR	No	Yes	Yes	IF THE TECHNICIAN IN SAME COUNTRY

As of January 13th, 2021 Kuwait total COVID-19 cases stood at **154,841**.

Kuwait Ministry of Health announced gradual return to normalcy as part of Phase four plan.

Below the effects on Shipping industry:

- Crew change not allowed
- All types of Visa issuance remain suspended with exception to Government related matters
- Limited number of flights availability with restrictions
- Inbound flights allowed only with the persons having valid Kuwait residency with 14days Quarantine period.
- Ship spares that are arriving from outside Kuwait and their clearance / connectivity cannot be guaranteed.
- Health teams board the vessels at Kuwait ports anchorage and upon their clearance only vessel allowed to berth.
- Vessel boarding restricted to single personnel.
